How to find us:

Weymouth Community Transport

is proud to work with
Volunteers
and acknowledges their
selfless support for our
scheme.

Our pool of volunteer drivers use their own family vehicles during their spare time to help our passengers get to their appointments.

Our passengers say:

“Getting to an appointment on time and arriving safely home afterwards is then one less thing to worry about”.

“The driver was so helpful, he helped me from my door to the car and out again at the doctors, lovely chap”.

“You have given us piece of mind to know that we can call on you anytime, it has taken the pressure off as we were feeling we would not be able to cope. Thank you all”.

Weymouth Community Volunteers Transport Scheme

We provide a service that enables the elderly to access volunteer transport to take them to hospital, doctors or other health related appointments.

Ring: 01305 783999

Our scheme is operated by **volunteer drivers** using their own vehicles.

All our drivers, both male and female have been DBS checked, wear photo identity badges, and have their vehicle documents checked on a regular basis.

How it works:

We charge a yearly Registration Fee of £5.00 which also covers other eligible people in your household.

When you register, we will take all your details and give you a unique number to quote when you ring to book a car.

This number will mean all you will need to tell us in the future is what date you need your car, and what time you need to be at your destination.

Once we have located a driver for you we will call you back to confirm your booking.

Our phone line is manned between **10am and 2pm Monday to Thursday** plus **10am and 12.30pm on Friday**.

Outside these hours, we have an answer phone service.

We ask for a donation for your journey, this is to cover the drivers expenses and help towards paying the costs of running the scheme.

We will advise you of the suggested donation at the time you make your booking, and ring to confirm the booking with you plus give you the name of your driver so you know whom to expect at your door.

As an example:

Weymouth to Dorchester Hospital:

We ask for a donation of £13.20. The driver will wait up to 2 hours for you and return you home after your appointment.
